

HOW TO BOOK SPRING ACTIVITIES

Activity and ticket sales will look a bit different this spring at Massanutten Resort. Tickets will be available to TripForth guests no earlier than **21 days prior to the desired activity date**. We encourage guests to book their activities in advance (preferable at the 21 day mark) since inventory & capacity continue to be limited due to COVID-19 regulations. Please note that there will be days where activities are sold out – weekends and holidays in particular. If you do not see available inventory online, then tickets are currently sold out. Please continue to check back as additional sessions and tickets may become available due to cancellations or as conditions allow.

Need help booking activities on our website? Please follow the steps below.

Step 1

When attempting to book activities from the TripForth homepage (www.tripforth.com), select Step 2: Plan. This will take you to our Interactive Itinerary Planner.

Step 2

Select your location and travel dates to browse our collection of activities. Drag and drop your activities into the desired date/time slots.

The screenshot shows the 'Interactive Itinerary Planner' interface. On the left, there is a 'Drag-n-drop your experiences...' section with a 'Category' dropdown and a 'Time Of Day' dropdown. Below this are three activity cards: 'ESCAPE ROOMS Afternoon, Evening', 'LANDSCAPE PAINTING TUTORIAL Morning', and 'LURAY CAVERNS Morning, Afternoon'. Each card has a 'MORE INFO' button. On the right, there is a 'Create your Experiences for the length of your trip' section. This section shows a calendar view for 'Mon, Apr 12', 'Tue, Apr 13', and 'Wed, Apr 14'. Each day has a grid of time slots (Morning, Afternoon, Evening) with 'Drag & Drop Content' buttons.

Tip: Select the blue "More Info" button on each activity to view specifics regarding each activity.

Step 3

At the top of the Plan page, choose Step 3: Travel. This will take you to the TripForth check out page that lists a summary of selected activities and/or accommodations.

Step 4

Under the Itinerary section of the Travel page, you should see your selected activities in the respective date/time slots. To activity purchase tickets, please click each individual yellow “Purchase Here” buttons. This will take you to the TripForth sales page.
